HUNGER IS LOCAL. SO IS THE ANSWER.

Tango Charities exists to feed, educate, and empower communities through healthy and nutritious food. Our signature program, Feed The City, turns that mission into a monthly habit: neighbors showing up for neighbors, in their own cities, again and again.

It started with a simple idea in Dallas and Plano in 2015. In 2025 it reached 42 cities, and our volunteers served more than one million meals in a single year.

HOW FEED THE CITY WORKS

01

GATHER

Every month, a local volunteer leader hosts an event in their community.

02

PREPARE

Families, students, teams and coworkers make meals side by side.

03

SERVE

Meals go to neighbors facing food insecurity in that same community.

THE NEXT GENERATION IS ALREADY SERVING

38%

of Feed The City volunteers were 17 or younger.

That is 8,254 kids and teens who showed up to serve and learned they can do something about hunger in their own city.

YOU MADE A MILLION MEALS

Every number in this report started with one person deciding to show up. Leaders who opened their cities. Families who brought their kids. Companies who brought their teams. Partners who made sure the meals got where they needed to go.

In 2025 you served more than a million meals. In 2026 we are going even bigger. Thank you for being part of it.
